a classic biography of one of the greatest spiritual teachers of our times in 1909 when he was just fourteen krishnamurti was proclaimed the world teacher in whom maitreya the bodhisattva of compassion would manifest the proclamation was made by annie besant then president of the theosophical society a movement that combined western occult philosophy with buddhist and hindu teachings besant trained krishnamurti in his role as the chosen one but twenty years later he chose to disband the order he was head of and set out alone on his endless journey as a contemporary of krishnamurti and one of his closest associates pupul jayakar offers an insider s view of the fascinating life and thought of an extraordinary individual

indira gandhi s life spanned over two thirds of a century by the time of her brutal assassination in 1984 she had established herself as the most significant political leader india had seen since the death of her father jawaharlal nehru in this book written with the close cooperation of her subject pupul jayakar seeks to uncover the many personalities that lay hidden within mrs gandhi much more than a political biography the book reveals the complex personality of indira gandhi her thoughts and feelings her hates and prejudices her insights and her faults her loves and emotional entanglements full of startling insights indira gandhi a biography paints a magnificent portrait at once

empathetic and unprejudiced of one of the twentieth century's most remarkable women analyze the controversial side of Indira Gandhi's political legacy with *Indira Files* offering a critical examination of her leadership and policies. I have always felt that Indira Gandhi is the exceptional and foremost example of the dynastic politics of independent India. She is a perfect example of dynastic rule on one hand; she is called the Iron Lady on the other. People pay tribute to her dictatorship for imposing emergency in the country where on one hand Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two; on the contrary, she has also endured the slogans like *Sanjay ki mummy badi nikammi* for blindly loving her son like Gandhari loved Duryodhana. Nonetheless, we cannot forget that it was Indira Gandhi who gave wings to India's strength and courage by conducting the nuclear test. However, she was also the Prime Minister for whom the High Court issued orders to be removed from her office. In fact, Indira Gandhi is merely a symbol of dynasty politics. The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position. In today's scenario, there are numerous political parties that operate under a single family's control. Although I hold great admiration for Indira Gandhi, however, her darker side is perhaps more prominent. Hence, I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do.

Among the most famous visionaries of our times, J. Krishnamurti (1895-1986) continues to transform thought, lifestyles, and education across continents. More than three decades after his death, in this new biography tracing the nine long decades of his life from his growing-up years, his relationships, to his writings and talks, Roshen Dalal provides a much-needed corrective, an objective and balanced view of his legacy. Adopted by Theosophists at the age of fourteen and proclaimed a world teacher and messiah in 1929, Krishnamurti dissolved the Order of the Star created for him and went on to develop his own philosophy. What is it about his ideas that draws the following of generations of people delivered to a divided world? Then what makes his message so relevant now while his ideas on education are idealistic? Why do they continue to be everlasting in their contribution and appeal? Krishnamurti's vision is of a world without boundaries or wars, a world where compassion and goodness predominate, and his message is that such a world can be arrived at only through individual transformation. ^{b24} There is no direct path to transformation, yet through intense perception and understanding, it is possible to achieve this goal. Carefully reconstructing the events and extracting the essence of his talks, Dalal dispels several myths, explains his teachings, and reveals the underlying theosophical and occult influence in Krishnamurti's life. Here is the most complete biography yet of one of the greatest thinkers of the twentieth century.

This book delves into the profound and universal bond of friendship, exploring both its joys and complexities. It examines the dynamics of positive and negative relationships, highlighting notable examples of remarkable friendships from historical texts and revered writings by offering insights into how these bonds have been celebrated and valued across cultures. The book provides a comprehensive view of friendship's evolution through history, literature, and contemporary society. It captures the essence of this

cherished connection in all its forms and nuances

drawing connections between history individual development group psychology and the cultures of specific communities the colours of violence paints richly textured portraits of a range of subjects involved in riots and focuses on not just the survivors but also the agents of violence with insight and unsparing self reflection kakar shows how hindu and muslim identities are formed by rumour religion and bigotry and how they are fuelled by nostalgic histories and the anxieties and uncertainties produced by the process of modernization

the rise of sonia gandhi to leader of the venerable congress party is one of the most remarkable stories of recent times even in the unpredictable world of indian politics the story of how an apolitical housewife who was dead set against the entrance of her husband rajiv gandhi into the political arena emerged as an astute player of the game herself is one that has never been told adding to the enigma is her reserve she has given very few interviews and remains a very private person in sonia a biography journalist rasheed kidwai offers the first close look at the person and the transformation that circumstance and tragedy brought about in her he recounts the period of shock that followed rajiv gandhi s assassination her ascent to leadership in 1998 the revolt by party stalwarts sharad pawar and p a sangma the controversies she has had to face and he unravels the true story of her dealings with leaders such as sitaram kesri p v narasimha rao arjun singh and others sonia also gives a fascinating insight into the inner world of congress politics and the frustrations and jealousies that ensue as various leaders powerful in their own right vie for the honour of being part of the inner circle extensively researched and crisply written this is a compelling portrayal of a leader who is seen by many as a future prime minister

presents biographical profiles of significant women from throughout the history of the world each with birth and death dates when known a time line quotation and references arranged alphabetically from jab kyt

the book studies the indian english novelist s involvement with history it is based on the assumption that history fiction connection is fascinating as well as culturally significant the first two chapters discuss theoretical methodological and historical issues related to the history fiction interface later chapters provide a detailed analysis of the novels of m r anand nayantara sahgai salman rushdie shashi tharoor and o v vijayan to illustrate the whole range of the variety in the novelist s use of history

describes the history politics customs etc of india

books recommended for undergraduate and college libraries listed by library of congress classification numbers

autobiography by a freedom fighter politician and former chief minister from jammu and kashmir
