a collection of magic tricks for the beginning magician to have fun and learn the basics

living your magic lays out how life when people really look at it is like a magic trick a magic trick works because of illusion and misdirection and with all sorts of tricks of the mind human thinking and perception works just like a magic trick when people don t understand how the trick is done they get fooled every time in living your magic dr robert anthony teaches readers how to look at their life before the trick or the illusions happens and how to never be fooled again rather than following the same flawed premise behind almost every self help therapeutic or personal development methodology that projects people having a separate self that needs fixing living your magic sees that self as an illusion the problem is that most people don t recognize it as an illusion and believe they must change or improve their self before they can be happy and live a magical life dr anthony reveals that everyone has an inner creative genius that allows them to live a magical life if people

would only learn to trust it and get out of their own way in that way life becomes easier by giving people less to think about less to remember and less to do so they can truly enjoy their mind and enjoy their life

it s not about the destination wandering across the world is a witch named elaina as her travels take her from one place to another she records a riveting log of her adventures this book is just an anthology of those tales the forty three short stories contained within these pages have been previously published as special bonuses seasonal extras and social media posts all revised and expanded upon along with an entirely new story

includes abstracts of magazine articles and book reviews

although interest in mother daughter relationships has led to a plethora of books on the subject these books all consider situations found in the mainstream white population in this book relationships between mothers and daughters from 13 ethnic groups including asian black latino and native american are explored the voices of 17 highly successful mothers in different stages of their life and their 19 daughters are heard the reader will learn of their values intergenerational relationships and the mother s influence as a role model the research that confirms and validates these women s life stories is discussed the book provides valuable insight into the issues facing minority women in the united states although the women in these case studies come from diverse multi ethnic backgrounds they have all faced traditional and ethnic barriers and been able to achieve success becoming role models for their daughters the book is both a significant contribution to women s and ethnic studies social sciences and education

for more than ten years warman s americana collectibles has served as the leader in documenting and valuing twentieth century collectibles

journal of fairy tale studies

these collected essays by the distinguished psychoanalyst marie louise von franz offer fascinating insights into the study of dreams not only psychologically but also from historical religious and philosophical points of view in the first two chapters

the author offers general explanations of the nature of dreams and their use in analysis she examines how dreams can be used in the development of self knowledge and describes how c g jung worked with his own dreams and the fateful ways in which they were entwined with the course of his life the rest of the book records and interprets dreams of historical personages socrates descartes themistocles and hannibal and the mothers of saint augustine saint bernard of clairvaux and saint dominic connections are revealed between the personal and family histories of the dreamers and individual and collective mores of their times dreams includes writings long out of print or never before available in english translation

includes step by step directions with information on the necessary props and preparation for a variety of magic tricks

competing with witches spells disaster when popular baking show britain bakes decides to televise their latest series on location in claddach esme is thrilled this will finally put her beloved hometown back on the tourist map and revive the family s cafe business
