marshall fredericks s detroit sculptures capture the spirit of the motor city and its dramatic transformation from the 1950s to the present day in this book janna jones analyzes eight of these enormous works of public art situating them and their structures in metro detroit s distinctive midcentury milieu and bringing much needed critical attention to this sculptor s oeuvre sadly some of these artworks have suffered along with the city as it shrank from its postwar zenith both the buildings and the sculptures erected for them deserve to be rescued from neglect and then maintained and preserved for the future

since the first mooc was launched at the university of manitoba in 2008 this new form of the massification of higher education has been a rollercoaster ride for the university sector the new york times famously declared 2012 to be the year of the mooc however by 2014 the number of academic leaders who believed the model was unsustainable doubled to more than 50 while the mooc hype has somewhat subsided the attitudes and anxieties of this peak time can still be seen influencing universities and their administrations this is the first volume that addresses massive open online courses from a post mooc perspective we move beyond the initial hype and revolutionary promises of the peak mooc period and take a sober look at what endures in an area that is still rapidly growing albeit without the headlines this book explores the future of the mooc in higher education by examining what went right what went wrong and where to next for the massification of higher education and online learning and teaching the chapters in this collection address these questions from a wide variety of different backgrounds methodologies and regional perspectives they explore learner experiences the move towards course for credit innovative design transformations and implications of the mooc in turn this book is valuable reading for students and academics interested in education elearning globalisation and information services
